

## THEY WANT YOU TO STAY HOME ON NOVEMBER 3<sup>RD</sup>!

The casino industry wants you to stay home on Tuesday, November 3<sup>rd</sup> so they can pass Issue 3, a constitutional amendment legalizing casino gambling in Ohio.

Yes, it's true – Ohioans rejected casinos at the polls in 1990, 1996, 2006 and 2008 but this time – casino bosses are counting on Ohio voters staying home. They intentionally placed Issue 3 on the ballot in an odd-numbered, off-election year, because turnout is projected to be very low.

They figure you'll stay home. They figure they have worn you out by their endless campaigns and countless millions of dollars in TV and radio ads. You stay home and they win.

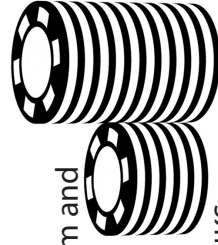

The truth is casino gambling is still a scam. It is an industry built on greed and human tragedy. Casinos cost jobs as people throw billions of dollars away that could be spent for food, clothing, health care, college educations and so much more. Casinos thrive on creating new addicts and ruining lives.

Casinos are going bankrupt all across America. They don't deliver on their promises. Just look at Detroit and Atlantic City.

Issue 3 is the worst of all the five amendments Ohio has seen. It is filled with loopholes, special deals and trap doors. You can read the full amendment at [VoteNoCasinos.com](http://VoteNoCasinos.com). Read the amendment and see for yourself.

PLEASE DON'T THROW THIS AWAY  
GIVE IT TO ANOTHER OHIO VOTER. THANKS.

**PLEASE VOTE NO ON ISSUE 3 ON TUESDAY NOVEMBER 3<sup>RD</sup>.**

Thank you.
